Help Lift the Burden of Final Expenses from Your Loved Ones with a Gerber Life Guaranteed Life Plan

According to a recent survey, funeral expenses start at about \$7,000¹ and can rise dramatically from there. Many funerals run well over **\$10,000**²—and, if you qualify, Social Security only provides a one-time death payment of \$255.³ If the unexpected occurs, your family could also be faced with a funeral bill and other expenses that they may find difficult to pay—at a time when they are suffering most from grief and loss.

With the **budget-minded** Gerber Life Guaranteed Life Insurance policy, you can have the peace of mind that comes from knowing you've planned ahead to ease the burden of final expenses. The plan provides up to **\$25,000** to help pay:

- **Medical bills**
- **Leftover debts**
- **Funeral costs**

Regardless of Your Health... You Can't Be Turned Down

If you are a US citizen or permanent legal resident between the ages of **50 and 80**, you can choose from **\$5,000 to \$25,000** in guaranteed life insurance from Gerber Life (total of all combined Gerber Life Guaranteed Life policies is \$25,000). Plus, under current federal law, the Gerber Life Guaranteed Life policy death benefit is **not subject to federal income tax** when paid to a named beneficiary.

The application process is simple and easy. **No medical exam** is required and there are **no health questions** to answer. Your acceptance—regardless of your health—is **guaranteed**. Plus your spouse (if aged 50 to 80) can get **up to \$25,000** in guaranteed benefit protection, too.

Premiums that Never Increase

Once you select the amount you need, your budget-friendly premiums are guaranteed to **never increase** for as long as you hold the policy. Even if the cost of living keeps rising, you can be confident knowing that you'll be paying the same premium rate, 10, 20 and even 30 years from now.

Graded Death Benefits for the First Two Years

Gerber Life's **guarantee to accept all applicants age 50 to 80** is made possible by a two year graded death benefit limitation. If death occurs within the first two policy years for any reason other than an accident, all premiums shall be paid to the beneficiary, **plus 10%** interest on earned premiums. Earned premium refers to the portion of paid premium that has been applied to the policy. For example, if an annual premium pay-

ment is made, six months into the policy year, half of the total premium is considered earned. If death is due to accidental causes, the full death benefit will be paid. After the two-year Graded Death Benefit period, if the insured dies for any reason the full face amount of the policy shall be paid to the beneficiary⁴.
